## CVAM ANNOUNCEMENT: Z. David Skloven, MD Retiring

It is with very mixed emotions that we announce the retirement of Z. David Skloven, MD from CVAM. Dr. Skloven is and will remain a valued member of this CVAM family as the one that started it all in 2004. We have so much gratitude and more for his eternal devotion to this practice and its success. There are not enough words to thank Dr. Skloven for everything he has given to CVAM, this staff and his patients. Dr. Skloven is a compassionate physician to his patients nor a harder working and caring individual overall.

Dr. Skloven's last day at CVAM will be **June 30, 2020**.

Congratulations on your retirement Dr. Skloven! You will be greatly missed!
