

Contacting Your Doctor's Office

When reaching out to us, first determine whether your issue is an emergency. If you are experiencing an emergency, please call 911 and request transportation to an emergency room.

For non-emergent questions, we encourage you to schedule an appointment by calling us at (480) 641-5400 or making a request through our secure patient portal. This allows for a thorough discussion with your provider about your health concern.

If you need clarification on an issue discussed at your last appointment or have other non-emergent questions, please call us at (480) 641-5400 or send an inquiry through our patient portal. Your message will be shared with your provider, and you will receive a response within 24 hours.

We are here to support you and ensure you feel better. Your health and well-being are our top priorities.
